THE BAD APPLE THEATRE COMPANY

Saturday 21 May 7:30pm ~ Thornton le Beans Village Hall

After the last performance in 2019 which was an absolute sellout, we are pleased to announce The Bad Apple Theatre Company will be returning to perform "Elephant Rock" Come along and have a fun evening and the Bar will be open.

A new comedy by Kate Bramley with music by Jez Lowe and design by Catherine Dawn

"The heyday of the British Seaside Holiday may have gone but the memories remain. So too does The Old Palace Theatre, once perched proudly on the pier in sight of the mighty Elephant Rock and boasting its own fabulous attraction, The Amazing Mechanical Elephant. But the relentless tides have chipped away at the coast and the Elephant rock and its mechanical counterpart are long gone, as if instinct and longing have lured them off to the land of their ancestors. Join us as we watch the comic yet heartfelt attempts of the mismatched team who are determined that the Palace doors stay open, as they discover a family history that stretches across 100 years and 5,000miles from the rocky coast of England to the sweeping grasslands of Sri Lanka".
